Cat® Work Tools: January 1, 2020 - December 31, 2020. After-market / loose work tools are defined as work tools sold separately from the sale of the host machine. Minimum financed amount of \$1,000. Multiple work tools may be purchased together to add up to \$1,000. New Caterpillar work tools sold with a rental conversion or used machine are considered after-market / loose and eligible under the program. Only work tools listed in the WT price list and designated as CWTS, BCP. Product quality.

Cat® Parts & Service: January 1, 2020 - December 31, 2020. Transactions must be a minimum of \$1,000 for over the counter or through dealer shop/field service. Dealer labour can be included in shop/field transactions if the parts represent at least 50% of the invoice. These minimums must be on a per invoice basis. This program applies to all new and Reman Caterpillar parts ordered through Antares. This program will cover the finance charges for the related parts and service only. This program can be combined with other post-sale programs.
