

Nos Sno-Thros en édition spéciale sont la preuve que The King of Snow® n'a rien à envier à personne. Chaque modèle est équipé d'un puissant moteur EFI capable de projeter jusqu'à 90 tonnes de neige par heure. Ils regorgent de fonctionnalités qui vous feront sourire jusqu'aux oreilles à l'annonce d'une tempête de neige. Avec un Ariens® en édition spéciale devant vous, vous aurez un chemin dégagé derrière vous.

Snow, slush, sleet, leaves, sand, gravel, whatever is covering your pavement can quickly be swept away. Its 40-degree pivoting head pushes debris 20 degrees in either direction.

WHEN YOU PRIORITIZE
QUALITY,
PERFORMANCE
FOLLOWS NATURALLY.

We don't just manufacture lawn mowers. Anyone can do that. We also design them to combine durability and reliability. Their durability is legendary and is reflected in their robust construction and design. Their reliability is based on their high-end features. Not only do they get the job done, but they do it with precision. Ariens is much more than just a brand. Our family name, which appears on every machine, is your guarantee that our products will perform at their best.
