Attention Gino Battel

Gino,

On behalf of michael+clark Construction it is my pleasure to take a moment to thank CIMCO Refrigeration for their efforts in assisting us to complete past project on budget and schedule over the past several months.

The staff provided by CIMCO Refrigeration are knowledgeable about the work begin performed, their attention to detail, problem solving and understanding of their systems are second to none. When approaching complex jobs, we can count on Cimco to assist in the design of the project along with finding alternative solutions to complete the task, focusing on schedule and budget.

It has been a pleasure working alongside their team delivering projects on schedule and within budget time and time again. I would be happy to recommend CIMCO Refrigeration for you next project and look forward to continuing a long-lasting relationship.

Sincerely,

Chris Cornish
