

"Call it Home"

June 13, 2019

RE: Letter of Reference for CIMCO Refrigeration.

We have used CIMCO Refrigeration to service and maintain our two ice plants at the Legends Center and our Diamond Rodeo Arena since 2011 when we opened our Legends Recreation Center. CIMCO Refrigeration have provided quick dependable service and on call service.

They have knowledgeable technicians that offer dependable advice and feedback on all work performed. I would highly recommend them to anyone.

Regards;

Tim Doell
