

UP TO 70% OFF MSRP*

JET L90 CHAINFALLS & MM2 PULLERS/COMEALONGS

Jobsite Industrial Rental Services has secured a limited quantity of JET L90 chainfalls and MM2 pullers/comealongs. These Japanese manufactured products have long been considered the industry standard across Canada, with precision parts and the strongest load chain in the industry. We are offering these products at prices that are **up to 70% off MSRP** for a limited time. Jobsite Industrial Rental Services will continue to support these products through both parts availability and re-certification for many years to come. Move quickly to get this quality product! Pricing is FOB at your nearest Jobsite Industrial Rental Services location. With 14 locations to serve our customers nationwide, we are working where you are. Contact your local branch or sales representative to secure your order today. *Prices are in effect until August 11, 2023 and while quantities last.
